Important notes:

1. This form is only for use with Grade D (D1 or D2) fire detection systems (systems of one or more mains powered detectors, each with battery back-up/standby supply).
2. Instead of submitting this form you may alternatively submit an annual BS:5839: Part 6 test certificate issued by a competent person.
3. In either case you must regularly test your alarms and should make a record of your tests.
4. This form must not be used for more complex grades of fire detection systems i.e. Grade A, Grade C and formerly Grade B systems.
