- 1. Foundation Trust, Academy and Voluntary Aided (church) schools are not obliged to follow these dates and may choose to set a different calendar. You should contact individual schools for confirmation.
- 2. Maintained schools are usually open for the teaching of pupils for 190 days in a school year. This calendar shows 193 term time days. The additional **3 days** will be used by schools for non-teaching days. Schools are closed to pupils on these days. The dates of the non-teaching days are not necessarily the same across all schools. Individual schools will notify parents of the dates when school is closed to pupils for non-teaching days.
- 3. Schools must identify **2 further non-teaching days** or the equivalent outside of these specified term dates.
- 4. Schools must take account of closures to accommodate local or Parliamentary elections when setting non-teaching days
- 5. Headteachers in consultation with staff will determine when, where and how non-teaching days are planned.
