Introduction

Please read these notes before you use this booklet

This booklet lists organisations providing independent and free and non-commercial welfare rights, benefit and money advice in Newcastle. Offices are also included for Moneywise Credit Union. There are two sections – **citywide advice services** that deal with enquiries regardless of where you live in Newcastle and **local advice services** and outreach sessions that may only deal with enquiries from a certain area.

The advice organisations offer initial advice plus a full range of follow-up help, such as writing letters and so on. Some represent at appeal tribunals. They advise on social security benefits, tax credits, debt and related issues. Some centres may offer advice on other problems, for example, housing. Please check the individual entry. We also enclose some national organisations that provide benefit advice via a national phone line. For advice on other problems, you can search this website: www.gov.uk/find-a-legal-adviser

If you are signposting someone to an advice organisation, please give them the address, telephone number and the session time. It may be worthwhile phoning the organisation to check that the details have not changed. Some organisations are appointment only, and some will only take referrals by telephone. Wrong referrals cause frustration and expense to the claimant.

Please note that there is no such advice service at Newcastle Civic Centre.

This booklet has been produced by the Active Inclusion Newcastle Unit. The Active Inclusion Newcastle Unit is part of Newcastle City Council's Active Inclusion Service, which helps residents to secure the foundations for stability – somewhere to live, an income, financial inclusion and employment opportunities. If you need extra copies please email us at: activeinclusion@newcastle.gov.uk .

We cannot guarantee the quality of service provided by the organisations in this booklet. The information is as accurate as possible at the time of writing. The latest version is on the website: www.newcastle.gov.uk/welfarerights

Moneywise Credit Union is a financial co-operative which offers savings, loans and related services to members. Anyone who joins must be part of a "common bond", this means everyone who lives or works in the Tyne and Wear region. Credit unions are a "not for profit" organisation which means that any surplus made is reinvested into the business, any additional profit is used to pay a dividend to members.

Moneywise Credit Union offers a range of loan options depending on how long members have been saving. Interest rates will depend on individual circumstances, but the maximum interest rate that can be charged by a Credit Union is 3% per month (42.6%).

Credit unions such as Moneywise rely on members' deposits to provide loans so part of the commitment when joining a credit union will be to save regularly. This not only helps other members but also starts a regular saving habit.
